

Mrs. Lukasiewicz's FIT and Detention Guidelines for 2016-2017

FIT - No late English assignments are accepted! (**That includes homework left in your locker!**) If you do not turn your work in when it is due, it is a **0%**! I will assign you a FIT to make up the missing assignment and to earn up to half of the original points back. Assigning a FIT will be determined by your overall average in English, number of late assignments you have had, and/or importance of the assignment. You, the student, can ask to serve a FIT for any missing assignments!

FIT will be served with me in my classroom during your lunch period. You will ask permission to be in the front of the lunch line, get your lunch, and hustle down to my room to eat and complete your assignment. If you do not finish your assignment, another FIT will be scheduled. An alternate FIT time before school (7:50 - 8:15) or after school (3:35-4:00) can be arranged with me if necessary.

DETENTION - I expect full cooperation from my students in regards to their behavior in my classroom! Everyone has the right to the best learning environment possible! That cannot happen if you are not following the school rules and classroom procedures. I will tell / ask you to correct the behavior. If you choose to continue the behavior, you will be assigned a detention. Detention is served during your lunch period! If I feel the behavior warrants it, I can assign multiple detentions, assign a morning detention, or refer you to the office! A parent or guardian will be notified of the situation.

You will also earn a detention for not bringing your **workbooks** and **charged iPad** to class! You cannot learn if you do not have your materials with you **EVERYDAY!** I will not waste class time to send you to your locker. Be responsible! I will not notify parents or guardians of these detentions unless it becomes a habitual problem.
